

1100 LTR EUROBINS

Helping you recycle right – every time

We've introduced colour coded euro waste bins across all stations to make recycling easier, clearer, and more consistent.

QR codes are located on the right-hand side of each eurobin and direct customers to the Waste Management page on the Sodexo Cyprus website.

Please use the correct coloured bin for your waste.

BROWN – Paper & Cardboard

What goes in:

- × Paper
- × Cardboard
- × Cartons and boxes (flattened)

Please remember:

- × Keep items clean and dry
- × No food or liquids

GREEN – General Waste

What goes in:

- × Non-recyclable waste
- × Food-contaminated packaging
- × Items that cannot be recycled

Examples:

- × Used tissues
- × Greasy food packaging
- × Mixed materials

BLUE – PMD Recycling

What goes in:

- × Plastic bottles & containers
- × Metal cans & tins
- × Drink cartons

Please remember:

- × Empty and rinse items
- × No general waste
- × No food or liquids

RED – Glass

What goes in:

- × Glass bottles
- × Glass jars

Please remember:

- × No lids or caps
- × No food or liquids
- × Do not place glass in any other bin

Why this matters

Correct recycling helps us:

- × Reduce waste going to landfill
- × Improve recycling quality
- × Support environmental commitments
- × Small actions make a big difference.

Thank you for recycling responsibly.

It all starts with the everyday
